

BEST IS YET TO COME

Dreams, planted like a seed SOLO
Stirring underneath the storms and trials
The victories and triumphs
See, new realities,
More than we could measure or imagine
It's impossible to fathom

We dreamed it now we see it UNISON
We asked and then received it
We're here and still believe for
So much more

We've seen You prove it UNISON
Thank you for all You've done
Lord, You're still moving
We know that the best is yet to come

Bring all your unbelief SOLO
Pray then watch and see He's good and faithful
He's willing and He's able

We've seen You prove it 3 PARTS
Thank You for all you've done
Lord, You're still moving

We know that the best is yet to come UNISON
More of Your power 3 PARTS

More of Your Kingdom come,
Pour out Your Spirit,
We know that the best is yet to come UNISON

Pour out revival like a flood UNISON
We're gonna see it
Let every church unite in love
Oh God, we need it
You still have so much more for us
Lord, we believe it
Your Kingdom come Your will be done
Lord, we receive it

Pour out revival like a flood **3 PARTS**
We're gonna see it
Let every church unite in love
Oh God, we need it
You still have so much more for us
