

BRING YOU PRAISE

In the joy and the sorrow
We'll praise, we'll praise
In the vict'ry and pain
We'll praise, we'll praise
If every breath I take is owned by You anyway
How could I hold it, I cannot hold it back

UNISON

There's a reason, I'm still breathing to praise
In every season, I'm believing
You are worthy of the highest praise

UNISON

In the highs and the lows
We'll praise, we'll praise
You say yes or say no
We'll praise, we'll praise
If every breath I take
has never been mine cuz its breath You gave
How could I hold it, I cannot hold it back
