

FALL LIKE THE FIRST TIME

It is finished he has won, death defeated SOLO
Look for a promise yet to come from where we're seated
I heard you say it's better this way
So let your promise come & fill this place

Come like a rushing wind oh come tongues of fire begin SOLO
Oh come, fill this room we're in oh come

I may not know the magnitude of what I'm asking SOLO
But Lord, I mean it, yes I do I need a fresh wind
I heard you say it's better this way
Even if it burns, I'll welcome the flame

Come like a rushing wind oh come tongues of fire begin 3 PARTS
Oh come, fill this room we're in oh come
Move do what you want to, move, old things be made new
I need you now, Lord would you come and move
Come & move, come & move
I need you now, Lord would you come and move

Fall like the first time, sound of Heaven roar SOLO
I feel it stirring, moving once again
Come in power, rushing wind
My heart is open, change me, fill me I want all you have for me

Fall like the first time, sound of Heaven roar UNISON
